

Third letter from Estonia!

Hello my friends!

The spring has arrived and everybody is happy to move past the cold and dark winter. The long academic year is coming to an end. The children are impatiently waiting for the summer holidays to begin. For us the last day of school is on June 5th. But before that it's necessary to take some tests and to show what has been learned through the past year. Spring is a great time to do sport. On Monday, May 14th, The Olympic Games were held in our school. The students were very motivated and tried hard, cause in the end everybody wants to win. This time there weren't any school records broken yet many personal wins achieved. When rewarding the students with medals and diplomas it was pleasant to see that the children who live in Libatse love to do sport.

We wish you all a happy end of spring!
