

# BROWN GELDING

---

*by Kadi Kruusmann*

My horse is brown  
he is one of the small gelding  
On his forehead he`s got a stripe  
what is light grey.

His main and tail are shining  
and they get dirty in the bog.

Then I'll wash he clean  
and the horse is well again.

My little brown gelding

Then again, is „Cool“
